**Supertramp:**  
**The Logical Song**

From: *Breakfast in America*

When I was young  
It seemed that life was so wonderful  
A miracle, oh it was beautiful,  
magical  
And all the birds in the trees  
Well they'd be singing so happily  
Oh joyfully, oh playfully watching me  
But then they sent me away  
To teach me how to be sensible  
Logical, oh responsible, practical  
And they showed me a world  
Where I could be so dependable  
Oh clinical, oh intellectual, cynical

There are times when all the world's asleep  
The questions run too deep  
For such a simple man  
Won't you please, please tell me what we've learned  
I know it sounds absurd  
But please tell me who I am

Now watch what you say  
Or they'll be calling you a radical  
A liberal, oh fanatical, criminal  
Oh won't you sign up your name  
We'd like to feel you're  
Acceptable, respectable, oh presentable, a vegetable!

At night when all the world's asleep  
The questions run too deep  
For such a simple man  
Won't you please, please tell me what we've learned  
I know it sounds absurd  
But please tell me who I am, who I am, who I am.
