

# You've Got A Friend

Written & Composed: Carole King

When you're down and troubled  
And you need some love and care  
And nothin', no nothin' is goin' right  
Just close your eyes and think of me  
And soon I'll be there to brighten up  
Yeah, even your darkest night  
You just call out my name  
And you know, wherever I am  
I'll come a-runnin'

To see you again

Chorus :

Winter, spring, summer or fall  
All you have to do is call  
And I'll be there, yeah I will  
You've got a friend

When the sky above you  
Grows dark and full of clouds  
And that old north wind  
He begins to blow  
Here's what you do baby  
Keep your head together  
And call my name out loud  
And soon you'll hear me  
Knockin' at your door  
Oh yes I will, yes I will  
You just call out my name  
And you know, wherever I am  
I'll come a-runnin'  
To see you again

Chorus

Ain't it good to know  
That you've got a friend  
People can be so cold  
They'll hurt you and desert you  
And take your soul if you let them  
Oh, don't let them

Chorus :

Winter, spring, summer or fall  
All you have to do is call  
And I'll be there, yes I will

You've got a friend, yes you do  
You've got a friend, yes you do  
Right till the end, for you  
Ain't it good to know
